

AI Consulting Services & Pricing for Nonprofits

Our AI consulting services help nonprofits harness automation to streamline operations, reduce manual work, and free staff to focus on ministry impact. Each assessment identifies opportunities for AI-driven process improvements such as intake, scheduling, data entry, reporting, and communication.

Package	Includes	Nonprofit Rate
Half-Day Onsite Review (4 hrs)	Observation, workflow mapping, verbal summary	\$400–\$600
Full-Day Onsite Review (8 hrs)	Comprehensive process review, written findings report	\$750–\$1,200
Assessment + Solution Design	AI roadmap and ROI analysis	\$1,500–\$2,000
Full Implementation Plan	Data mapping, vendor options, workflow diagram	\$2,500–\$4,000

Note: The prices listed above reflect **nonprofit rates**. Up to 50% of the total cost may be donated back to the ministry once per year as part of our faith-based partnership program.
